

Dr. S.S.C. Chakrarao
Chairman, Indian Resuscitation Council Federation

Sub : NTRUF endorsing IRCF application to ILCOR, We thank ILCOR bring world standard guidelines in resuscitation.

first state in India NTRUH established 1986 with 29 medical colleges 5015 students per year ,16 dental colleges,158 BSE nursing colleges,31 Physical therapy colleges,32 paramedical colleges in state of Andhra Pradesh with 54 million people. NTRUH "To bring health related disciplines under an umbrella to impart quality in education, research and training for technically competent, globally competitive and social relevant professionals with ethical value systems. "To create passion for compassion in education and training to a diverse body of students in a dynamic and collaborative environment."

IRCF providing BCLS courses to all our 29 medical college medical students since we have seen resuscitation activities of IRCF since 2017, IRCf has bringing all association together under one platform for high quality resuscitation education. IRCF started CRTTC in all medical colleges in state of Andhra Pradesh, IRCF is planning to bring quality resuscitation training to all 612 medical colleges across India. NTRU also like to bring resuscitation training to all dental, nursing and paramedical students. E will support IRCF application to ILCOR to bring high quality resuscitation training to all health providers and people of Andhra Pradesh and spread same to rest of India.

We are in support of IRCF goals of to make every citizen life saver.
